EDITORS. PAULDING, MISS. Friday, May 24, 1861.

Military A military mosting was held at Old and honored semmonwealth. We may Hickory, Simpson county, on the 11th be too sanguine, but we cannot help beinst, which recommends the assembling lieving that few of the vandal horde who of the commissioned officers of the cross her begiers will ever return to tell sympasies in this portion of the State the tale of their defeat. at Habelgh, on the 27th, (next Monday) | Another most important item which we to ga into excep for five days drill and publish is the announcement of Lord John camp duty. The suggestion is certainly a Russell, in the English Parliament, that good one, and we learn by a letter from the Confederate States would be treated Capit Hanov that the prospect is good for by the English Government as leveful bea full attendance. His company will ligerents and not as rebels and traitorsgive a diseast to the officers who may that our privateers must be regarded as

assumble on that dee. Dranings -- The New York Tellous like pirates, as the Lincoln government obvenieles exultingly an around of afforts to consider them. If Lincoln could the most harrible octarrance at HE have induced France and England to refrom, where unoffending woman and gard them as pirates, he might very safechildren were murlered in cold blood by ty have left Yankes commerce to be proa band of armed minious of the Lincoln tected by the powerful flacts of those na-Government, and says the work of brings tions, while he employed his whole navy been well began !" Think of that, men of the English government will cause a of the South, you have mothers, wives, slotter and dangleton, and let the remembeings that the leading journal of the Martis approjy exults over the brutal murthis of those whose very weakness should have been their properties, serve you arme in the day when you shall meet four mount or tries on the field of bartle. The ercuture who could givet group dends which would shame even the Beart of a corago, our have no other cisim to humanity than that of form.

A gentlemen lately arrived in Consumati from Washington, "who is deemed to be reliable authority," furnishes the Enquiror with the "programme of the war" which those at the bend of the old repub-He will presse towards the South. From rooms ontgirings in letters and dispatches, the programms of the Enquirer meems to posses some probability. Accoviling to this "ruliable authority." Virginia will first be made to feel the weight of the federal erm. To retake Norfolk and necupy shehmond with a view to the establishment of a base of future operations, will be about all that will be attempted in that quarter for the proceed. The hot weather will suspend further operations there until next Noremlier, when "the fuleral forces will be junious forward into the heart of enemy's country." The Union men of western Virginia will be strengthened and assisted, and all the lines of communication by hand and water, will be possessed far as possiels and kept open and under control of the generament. Maryland will be held as Brusly and securely to her daty as possible.

ayed somewhat, for want of scater material to operate with. The government is to have guplants on the Mississippi, and compy its west bank as they progress Bouthwardly, building forts or blockhouses as they progress. The gun-houte will be used to clour the coast of the enemie's batteries, and protect the steamhouse that shall follow with troops, prowisions and stores. In this way the whole Mississippi valley will be overrun and subdued. The means necessity for this cannot be prosured immediately, but orders will be soon given which will insure every thing for at early a start from Caleo as the weather and sings of the Mississippi will

Morshwaters Texas is to be igvaded John Kanser, Arkensas may also be troubled by the Southwestern army. The looders in these operations, if is said, will be Jim Lane and Montgomery, of Kanallo, proferriety. A stone binchade, from the Chrospania

to the Rio Grando, will be kept upone all privatedre nuder the Confederate Gor a semment will be summarily meats with. The Empiries's intermant thinks that This "shreatened in front, their gentre hapken surrounded flanked and harrasat in theer rear," the "rebels" will be beought to be not

Such is the substance of the programme of the war of the North to subjugate th floath. Of its practicability, time more determion.

Subscription to the "Jaspe Greys," We publish to day a full list of the names of Shore who have subscribed to the equipment of the "Japer Greys," with the ansent that such your gives. We append also a statement of how much of the mancy has been collected, hor much expended, and the amount still due. It will be seen from this that, allow ing every dollar to be collected, the company will have left only about \$500, with which to purchase the various other articles measurery, or rather indispensible, to their health and comfod while fighting the battles of the country, and protesting the lives and preperty of those who slay at home and work for them. selves. This is not right. The people of the county are able, and they should make it a point of honor, to see that this company mes amply provided with ever thing a soldier needs. Many of our eftisens, as will be soon from the list, have responded liberally, while there are no doubt others, men of mesus, who have given nothing, or so littlein proportion to their ability as to make it fully as disgraceful as if they had given nothing. In the present exegioncy # affairs, a man who will neither go to fight himself, nor give to the support of these who do go. leaving their business and periling their lives to defend him in his rights and property and safety, ought to be a merked som in the community. The patriotic and intelligent of all classes ought to shun him as they would a leger and a tory. His soul could dance the pigeon wing on the point of a cambrio nos

We shall keep this list standing, and grust that it may yot remive the addition of many other names with creditable amounts. In the mean time, gentleme who have already sumeribed, will confer a grant favor by promptly paying theirantimelptions.

IMPURITARY TO PLANTAUE.-We under stand that many of our planters in pitching their corn crops and seed imported from the west, and if is beginning to be feared that those who did so will in most goage stictain a portion or total failure,-They say it is already towelling out and gues to repair the samage that may be near tinned. It is not yet too late to plant our house made own on bottom land, while large crops of Fers, Beans, Pointons, Ochlages, &c., can be raised to help out

A NEW BOOK FOR 1861. History and Defence of Afri an Slavery. BY WM. B. TROTTER A MISSISSIPPI SLAVEHOLDER.

THIS Book is now published and is a complete, condenced history of the African race from their critish to the present time. It vindicates and defends the institution of African Slavery in the United States, containing the Bible evidence of Slavery complete, with the Arrabic and Hebrew versions of the curse pronounced on Ham by his father. Nonlimited companion of african slavery in the United states—encouraged by England, France and Spain—the mount of African slavery in the United states—encouraged by England, France and Spain—the mount of transportation of slave labor from the United States. The comparison between the happy slave is the Stouth with the miserable wild African in Africa. The principal points in the judicial decisions and opinions of learned Judges in the leading cases on slavery, decuded in the Courte of Great British and the United States. His cause which led to the Massare in Sun Domingo, and the destruction of the West India Islands. The Probable result and decision of the African race. The mode and treatment accessing to make them profitable and happy, with many other valuable things.

This work contains more useful information than any book which has ever been published on the subsect. The physiology of the negro, and mode of reatment which is contains, is alone worth ten times the price of the book to any sixe holder, and is the only book of the kind ever published by a Southern and starcholder. It would be a estimable book for an achieve in the army to read during the present evolution; and bwing to the present evolution; and bwing to the present evolution; and twenty-five wests per copy.
